About the Company:-

Development Solutions is a research, evaluation and strategy consulting firm committed to social impact. Its clients include philanthropies, international NGOs, Government departments, UN agencies, and companies. The organization is based in New Delhi. The young and dynamic team aims to create synergistic solutions for proactive, innovative, and perceptive project outcomes. We believe in constant upskilling and see it as imperative in a sector with increasingly complex and ever-evolving questions. We embrace change and the possibilities it opens up. We look to be transparent and inclusive in every respect – participatory management with active encouragement of innovative thinking within the organization; collaborative and solution-oriented engagement with clients; above all, deep empathy and respect for the communities we work with. We care about the details and do our best to unearth the non-obvious insights.
